## “History and Recognition”

Founded in 1979 on the North side of Dublin Ireland, CES has today grown into an international language school with 8 year round centres in Ireland, England, Scotland and Canada. We use our over 40 years’ experience and expertise to teach the English language to students from across the globe.

CES is a family run language school. We are proud of our history and of all the students who have studied with us, and are always eager to welcome new students to one of our schools.

All of our teachers in Ireland hold a university degree plus an ACELS recognised teaching qualification. In Canada all of our teachers are degree qualified and TESL Canada certified.

In the UK, all teachers have the Trinity TESOL Certificate, CELTA or other recognised teaching qualifications, with many holding specialist EFL teaching diplomas and degrees.

Across all of our schools in Ireland, UK and Canada, our teachers are chosen not only for their experience, but also for their enthusiasm, positive attitude and ability to make language learning fun!

All CES schools offer homestay accommodation and a wide variety of alternative accommodation options including residential and hotel accommodation available at select schools on request.

CES is a multi-award winning school that has been recognised by independent and external sources such as Study Travel Magazine (Worldwide), Languagecourses.Net (Worldwide), Ryugaku Journal (Japan), and UED (Turkey).

CES is recognised and accredited by the **British Council** in the UK, **ACELS** (the Irish Department of Education) in Ireland, and by **Languages Canada** in Canada.

## » LIFE AT CES

On arrival at your airport of choice, CES can arrange to have you collected and transferred to your homestay or residence. The majority of our students stay in carefully selected homestays but we also provide residential self-catering accommodation in many of our centres. If you want a transfer, the CES representative will wait for you in the airport and take you directly to your accommodation.

**HOMESTAY** In homestay accommodation, you will probably be staying with a student from a different country. Your homestay will make you feel welcome and will provide you with clean bed linen and bathroom towels. All homestays will also provide breakfast and dinner.

**REGISTRATION** On your first day in any of the CES centres, we will ask you to complete a registration form. You will have an English language placement test to accurately determine your English language level and following this, a welcome talk from the centre Principal to give you more information on your centre and the city.

**E-LEARNING** All students get free access to CES Online, our fantastic FREE e-Learning platform, before arrival. Here you will find a wealth of materials and resources that will help your progress before, during and after your course.

**SEE THE CULTURE** CES arranges an exciting and varied social and cultural programme in all of our centres. Be it a visit to Buckingham Palace, a tour of Dublin Castle or a trip to Niagara Falls in Canada, there are many different options available.
